IN SITU, the European network for artistic creation in public space, supports artistic projects which reflect the link between creation, public space and citizenship in Europe with its wealth of cultural and linguistic diversity.

IN SITU is a network which, since 2003, has included twenty partner organisations from 15 European countries: Austria, Belgium, the Czech Republic, Denmark, France, Hungary, Ireland, Italy, Kosovo, the Netherlands, Portugal, Slovakia, Slovenia, Spain and the United Kingdom.

The members of the IN SITU network wanted to ensure the sustainability of their collaboration based on a common charter.

META 2011-2016 is a project financed with the support of the European Commission (DGEAC – Culture programme).
